# PROGRAMMING

- The Storm's goal is to provide our 25-64 year old active adults with news, weather, sports, information, and "True Country."
- Music featured on The Storm is an extensively researched combination of True Country hits from the 60's, 70's, 80's, and 90's. Every day, The Storm features a "forgotten hit" from an earlier era.
- Affiliations include Fox Radio News and Cardinals Baseball.
- National and Regional News updates twice an hour during The Morning Wake Up Service with Robbie Frish.
- The Storm operates 24 hours a day with 50,000 watts of power at 97 dot 5 on the FM dial.
